## DEAR PARENTS,

Darkei Avos was created to **BRING YIDDISHKEIT TO LIFE** for Jewish girls through an exciting programme outside of the formal classroom setting. We added an **INTERACTIVE HOTLINE** so that everyone can join and participate in an internet-free environment, and to give the girls a more tangible, immersive learning experience.

We hope this new aspect of our programme will **INSPIRE, ENGAGE, AND EXCITE** you and your child as much as it excites us.

Warmly,

**The Darkei AVOS team**
